

Riverside Community Health Foundation

Promoting Your Health

2010 Proposals Granted

\$2,511,035*

- 1. Riverside County Department of Mental Health** **\$3,000**

To provide funding for non-psychotropic medications for indigent clients in dual diagnosis residential treatment programs, enabling clients to be more successful in completing necessary treatment so that they are better able to achieve mental health and substance abuse recovery.

Outpatient Distribution/ January 2010
- 2. Teen Challenge of Riverside/Inland Empire** **\$26,000**

To provide outpatient and medical care for residents of the Teen Challenge Men's Residential Recovery Center, which will subsequently improve their overall short- and long-term well being as they recover from addictions.

Outpatient Distribution/ January 2010
- 3. The Carolyn E. Wylie Center for Children, Youth & Families** **\$50,000**

To support the Medical Therapy Screening and Treatment Program, which will screen, assess, and treat children and youth with special needs in the areas of speech, physical, and occupational therapy, as well as provide support, information, and referrals to their parents.

Outpatient Distribution/ January 2010
- 4. The Stephan Center** **\$2,500**

To provide a workshop for professionals working with families of children with special needs, in order to equip them with theoretical knowledge and practical tools to effectively support the families on grief and life loss issues.

Health Education Distribution/January 2010
- 5. Fiesta Educativa, Inc.** **\$3,000**

To provide a full day conference for Spanish-speaking Latino families, focusing on health and educational needs of the disabled community.

Health Education Distribution/January 2010
- 6. Latina Women's Forum** **\$2,000**

To support the Latina Women's Health Forum and its two annual health conferences, which focus on topics pertaining specifically to women's health and access to affordable medical care, presented by keynote speakers in Spanish. Conferences target families who have difficulty accessing regular medical office environments.

Health Education Distribution/February 2010
- 7. Loma Linda University School of Public Health** **\$2,500**

To support "Healthy People 2010", a conference which will bring together numerous public health and health care professionals, as well as leaders from community-based organizations and businesses, in order to share information and develop strategies to address a wide range of health topics.
- 8. American Heart Association** **\$3,000**

To support American Heart Association's annual Go Red for Women Campaign, which provides a health expo, heart healthy lunch, and panel discussion to educate and create awareness among women of the dangers of heart disease.

Health Education Distribution/February 2010

9. **First Chance/Y-CHOW** **\$20,000**
To support the HIV/AIDS Outreach Education Program, utilizing targeted prevention activities to provide HIV/AIDS outreach education to at-risk youth living in Riverside; activities are linguistically and culturally appropriate and aim to make youth aware of their risks while providing them with skills and resources to make behavior change possible.
Health Education Distribution/March 2010
10. **TeenNow California, Inc.** **\$10,000**
To support “Parents as the First Teachers”, a project designed to give parents the skills, knowledge and confidence to talk to their children about sexual and reproductive health, healthy relationships and avoiding pregnancy and sexually transmitted infections.
Health Education Distribution/March 2010
11. **Olive Crest** **\$27,200**
To support a nursing coordinator to oversee the health treatment of at-risk youth in group homes, as well as to provide the youth with health education and knowledge on how to develop on-going relationships with health care professionals after their discharge from the program.
Outpatient Distribution/March 2010
12. **American Diabetes Association** **\$15,000**
To support the “Por Tu Familia” program, providing diabetes awareness and prevention information in a bilingual format to Latino families in the City of Riverside.
Health Education Distribution/March 2010
13. **Riverside County Department of Mental Health** **\$193,000**
To support the “Crossroads to Wellness” project, enabling a primary care Physician Assistant-Certified to provide direct primary care services and coordination of mental and physical health for seriously mentally ill individuals who are served by the Blaine Street Adult Mental Health Clinic in Riverside.
Outpatient Distribution/March 2010
14. **Grantmakers in Health** **\$3,000**
To support Grantmakers in Health, a non-profit educational/resource organization, and its programs, which assist and support foundations to respond to the complex and rapidly changing health system.
Health Education Distribution/March 2010
15. **Jefferson Transitional Programs** **\$64,350**
To support an Occupational Therapist to promote optimal functioning, health and well-being for the agency’s peer participants, peer staff, and executive team through identifying individual strengths, problem-solving barriers, and developing health-promoting skills, habits, and routines.
Outpatient Distribution/May 2010
16. **Care Connexus, Inc.** **\$30,323**
To provide support for professional nursing staff at the Care Connexus Adult Day Services Center of Riverside. The center provides specialized care for persons over the age of 18 who have a wide range of chronic, disabling health conditions.
Outpatient Distribution/May 2010
17. **IEHP Health Access** **\$500,000**
To provide insurance for Riverside children through the Healthy Kids Program, a comprehensive health coverage to uninsured children under age 19 who live in families with income at or less than 250% of Federal Poverty Level (FPL), do not qualify for Medi-Cal or Healthy Families, and live in Riverside County for at least 90 consecutive days.
Inpatient Distribution/May 2010

18. **American Heart Association** **\$50,000**
To support *Conozca Su Corazón (Know Your Heart)* and *Search Your Heart*, cardiovascular programs that aim to reduce the risks of heart disease and stroke among the Latino and African American communities through a combination of workshops, health screenings, and the development of individualized action plans.
Outpatient Distribution/May 2010
19. **Operation SafeHouse** **\$30,000**
To support a Substance Abuse Counselor for the Substance Abuse Program for youth ages 12 to 17 at the Riverside Shelter. Youth in the program receive an assessment of their substance abuse, a 21-day abstinence period with counseling, and an aftercare program.
Outpatient Distribution/May 2010
20. **Path of Life Ministries** **\$8,000**
To provide medications and cover additional medication costs for patients of Health In Motion, a mobile clinic which provides basic health services to homeless and uninsured individuals in the City of Riverside.
Other RCHF Funds/May 2010
21. **Inland Empire Breastfeeding Coalition** **\$3,000**
To provide breastfeeding-specific education and outreach to mothers and caretakers, physicians, healthcare professionals, and area businesses in the City of Riverside.
Health Education Distribution/June 2010
22. **Alvord Unified School District** **\$17,220**
To provide new equipment for the hearing and vision screenings throughout the Alvord Unified School District; updated educational health related DVDs; emergency medication; as well as an emergency medical assistance fund.
Outpatient Distribution/July 2010
23. **Janet Goeske Foundation** **\$10,000**
To provide a comprehensive educational nutrition program for seniors throughout Riverside, featuring free consultations with a licensed nutritionist, monthly health seminars and quarterly cooking demonstrations.
Health Education Distribution/July 2010
24. **Project Food** **\$24,000**
To provide primary care medicine and preventative dentistry to low-income and needy individuals of downtown Riverside through the Student Run Health Clinic.
Outpatient Distribution/July 2010
25. **Special Start Child Development Services, Inc.** **\$45,000**
To support the "All About Me", a prevention program, which provides high quality and developmentally appropriate early care experiences for at risk babies between the ages of 0 and 3, and educates their parents on techniques, exercises and activities to enhance and enrich the baby's early development and physical health.
26. **Family Service Association** **\$50,000**
To support the Healthy Communities Mental Health Services program, which provides comprehensive counseling treatment services to families, children and individuals who have experienced child abuse, domestic violence, divorce, separation, or who are struggling to cope with other economic or family stressors that impact their overall well-being and quality of life.
Outpatient Distribution/July 2010
27. **Community Health Systems, Inc.** **\$75,000**
To provide uncompensated care for patients receiving medical and/or dental care at the Eastside Health Center, which provides access to primary care for low-income, uninsured, and underserved patients.
Outpatient Distribution/July 2010

- 28. Parkview Community Hospital Medical Center** **\$497,866**
To provide funds for the implementation of an electronic health records system for the Parkview Community Hospital Medical Center, improving patient care through increased efficiency, and more timely, coordinated delivery of care.
Inpatient Distribution/July 2010
- 29. Healthy Management Diabetes Education** **\$10,000**
To provide free diabetes management classes, diabetes support groups, diabetes awareness workplace events, and online resources for people with diabetes and their family members.
Health Education Distribution/September 2010
- 30. Riverside Medical Clinic Foundation** **\$10,000**
To provide children and their families with information and tips for action to help them learn how to modify their current diet to incorporate more healthy food choices; learn about the causal links between choices of certain types of food, exercise and diseases; and learn how to incorporate exercises into daily lifestyles and schedules.
Health Education Distribution/September 2010
- 31. Riverside County Physicians Memorial Foundation** **\$69,546**
To support Project K.I.N.D.'s commitment to address acute illness, reduce public health risks, manage pain, and assist in returning the child to school as soon as possible by providing access to quality health care to the population of underserved children, increasing Project K.I.N.D.'s provider base by 10%, and to serve more children by continuing to expand into other communities.
Stebler Distribution/September 2010
- 32. Community Health Systems, Inc.** **\$75,000**
To provide uncompensated care for patients receiving medical and/or dental care at the Arlanza Family Health Center, which provides access to primary care for low-income, uninsured, and underserved patients.
Outpatient Distribution/September 2010
- 33. Riverside Community College District Foundation** **\$25,000**
To support the RCCD Young@Heart Program, free fitness classes designed specifically for seniors in Riverside.
Health Education Distribution/September 2010
- 34. Inland Agency** **\$100,000**
To provide funding for the Pink Ribbon Place (formerly known as the Women's Health Initiative), which will provide breast cancer screening and treatment for eligible women age 49 and younger residing in the City of Riverside.
Outpatient Distribution/November 2010
- 35. Loma Linda University Children's Hospital** **\$250,000**
To enhance successful outcomes for neonates through an upgraded environment, including the provision of equipment designed to decrease the levels of stress encountered by infants in the NICU, and support for a pediatric specialist.
Inpatient Distribution/November 2010
- 36. Planned Parenthood of the Pacific Southwest** **\$104,030**
To support the Community-to-Clinic Cancer Prevention Initiative, providing a direct link between the clinic and the community in order to improve the cervical health care outcomes and testing rate among Riverside's most at-risk populations.
Outpatient Distribution/November 2010

37. Loma Linda University School of Public Health **\$2,500**

To support “Healthy People 2011”, bringing together numerous public health and health care professionals, as well as leaders from community-based organizations and businesses, in order to share information and develop strategies to create healthy communities throughout Southern California.

Health Education Distribution/December 2010

*Note: A 2009 grant in the amount of \$200,000 (awarded to the Riverside Community College District Foundation) included \$100,000 out of 2010 funds. This amount is included in the year-to-date total for 2010.
