- 8. Teen Challenge of the Inland Empire** **\$30,000**

---

To provide medical and dental care for participants of the Teen Challenge Men's Residential Recovery Center, a residential substance abuse recovery program in Riverside.  
**Outpatient Distribution/May 2011**

9. **IEHP Health Access** **\$450,000**  
 To provide insurance for Riverside children through the Healthy Kids Program, a comprehensive health coverage to uninsured children under age 19 who live in families with income at or less than 250% of Federal Poverty Level (FPL), do not qualify for Medi-Cal or Healthy Families, and live in Riverside County for at least 90 consecutive days.  
**Inpatient Distribution/May 2011**
10. **MFI Recovery Center, Inc.** **\$55,000**  
 To provide medical screening for infectious diseases, medical detoxification services and counseling for substance-abusing women, as well as well-baby care and immunizations for their children ages 0 to 12.  
**Outpatient Distribution/May 2011**
11. **Arthritis Foundation** **\$10,000**  
 To increase and sustain Arthritis Foundation programs and services within the City of Riverside through continued certification of Arthritis Foundation instructors, as well as to provide culturally sensitive educational materials on arthritis.  
**Health Education Distribution/May 2011**
12. **Special Service For Groups** **\$10,000**  
 To increase and improve access to high-quality health care services for limited English proficient (LEP) patients in the City of Riverside by educating LEP patients and health care providers on language access rights and obligations; and building capacity within the City to provide language services by increasing the number of tested and trained healthcare interpreters.  
**Other RCHF Funds/May 2011**
13. **County of Riverside Department of Public Health Auxiliary** **\$400**  
 To provide a four-hour nutrition and fitness education event for low-income families in Riverside, featuring food demonstrations, guest chef and farmer presentations, activity demonstrations, health fair booths, and fitness activities.  
**Health Education Distribution/June 2011**
14. **Urban Community Action Projects** **\$87,872**  
 To aid in the decreasing of inappropriate use of emergency rooms by supporting the provision of essential health care services, referral linkages, and integrated services coordination to homeless individuals and medically indigent adults, children, and families at the Urban Community Action Project's McCray Clinic.  
**Outpatient-Other RCHF Funds Distribution/July 2011 (\$83,872 Outpatient/\$4,000 Other RCHF Funds)**
15. **Parkview Community Hospital Medical Center** **\$450,000**  
 To provide two Phillips Patient Monitoring Systems—necessary to monitor patients' vital signs in the medical, surgical, and pediatric units—and one Ziehm Vision C-Arm, which produces real-time images for vascular procedures in the operating room.  
**Inpatient Distribution/July 2011**
16. **Latina Women's Forum** **\$1,500**  
 To support the Latina Women's Health Forum and its conference, free of charge for low-income Spanish-speaking families, which provides education on the cause and prevention of conditions that affect Hispanic families and access to affordable medical care.  
**Health Education Distribution/September 2011**

17. **Riverside Community College District Foundation** **\$3,000**  
To support the Chicanos for Community Medicine at Riverside City College’s first annual community health fair, providing various primary care and preventative healthcare services and information free of charge to the community.  
**Health Education Distribution/September 2011**
18. **American Heart Association** **\$45,000**  
To provide health education workshops and health screenings to Riverside’s Latino and African American populations in order to increase awareness of the symptoms and risk factors of heart disease and stroke, and to encourage healthy choices.  
**Other RCHF Funds Distribution/November 2011**
19. **Janet Goeske Foundation** **\$8,799**  
To support “Great Starts at Goeske”—a comprehensive educational nutrition program that provides information on the value of maintaining a nutritious diet and the disease risks associated with poor diet and lack of regular physical activity.  
**Health Education Distribution/November 2011**
20. **Loma Linda University Children’s Hospital** **\$234,667**  
To purchase a Phillips iE33—a compact, portable ultrasound machine with the ability to provide real-time two and three-dimensional images—to assist healthcare providers to diagnose structural defects of the heart and detect abnormalities in blood flow patterns so that a plan of care for the patient can be developed.  
**Inpatient Distribution/November 2011**
21. **Alvord Unified School District** **\$36,642**  
To purchase audiometers and vision screeners to help identify students with hearing and vision problems, as well as additional much needed health equipment supplies.  
**Outpatient Distribution/November 2011**
22. **El Sol Neighborhood Educational Center** **\$18,000**  
To provide obesity prevention and nutrition education to adult Latinos in the City of Riverside through culturally and linguistically appropriate strategies utilized by community health workers, also known as promotores.  
**Health Education- Other RCHF Funds Distribution/November 2011 (\$13,000 Health Education/\$5,000 Other RCHF Funds)**
