

Riverside Community Health Foundation

Promoting Your Health

2015 Proposals Granted

\$ 1,584,613*

- 1. University of California, Riverside - School of Medicine** **\$12,000**

To support the UCR School of Medicine- operated Mini Medical School, providing the community with information on prevalent diseases and health conditions, while simultaneously strengthening the ties between UCR premedical and medical students with the Riverside community, in order to increase their likelihood of staying in the Riverside region upon graduation.

Health Education Distribution/ November 2014
- 2. American Heart Association** **\$3,000**

To support the *Go Red for Women* and *Go Red Por Tu Corazón* movements through the *Go Red for Women Luncheon*, *National Wear Red Day*, and *Go Red for Women Baby Beanie* campaign—events designed to educate and create awareness and behavior changes among women to reduce the dangers of heart disease, while raising funds to decrease the death rates and improve cardiovascular health of women and their families.

Health Education Distribution/ December 2014
- 3. MFI Recovery Center, Inc.** **\$70,000**

To provide medical screening for infectious diseases, medical detoxification services and counseling for substance-abusing women, as well as well-baby care and immunizations for their children ages 0 to 12.

Outpatient Distribution/ January 2015
- 4. Loma Linda University School of Public Health** **\$3,000**

To support the 2015 “Healthy People in Healthy Communities” conference with the theme "Actively Live Your Best Life"; the conference identifies lifestyle-based practices and built environment interventions that can best protect against chronic diseases and promote healthy living.

Health Education Distribution/ February 2015
- 5. Vivian Stancil Olympian Foundation** **\$3,000**

To support the Drown-Proofing Clinic—a one-day class to reduce the fear of water and save lives by teaching water safety; the use of personal flotation devices; non-swimming rescues; and cold water survival.

Health Education Distribution/ March 2015
- 6. Teen Challenge of the Inland Empire** **\$40,000**

To provide medical, vision, and dental care for participants of the Teen Challenge Men’s Residential Recovery Center, a residential substance abuse recovery program in Riverside.

Outpatient Distribution/ March 2015
- 7. Catholic Charities of San Bernardino & Riverside Counties** **\$25,000**

To support the expansion of Catholic Charities’ Counseling Services program in the City of Riverside, increasing the hours of its Masters-level therapists to provide additional individual and family counseling for low-income residents with mental health needs.

Outpatient Distribution/ March 2015

8. **Care Connexus, Inc.** **\$81,533**
 To support dependent adults requiring daytime supervision at the Care Connexus Adult Day Services Center of Riverside, through the provision of direct patient nursing services and socialization activities promoting better physical and mental health.
Outpatient Distribution/ March 2015
9. **American Lung Association in California** **\$3,000**
 To support the LUNG FORCE Expo—a forum bringing together patients, caregivers and healthcare providers to learn about treatments, resources and the latest research to help those living with lung disease to lead healthier, active lives.
Health Education Distribution/ April 2015
10. **Eastside Reconciliation Coalition** **\$3,000**
 To support the Safety Chaperone Program, comprised of volunteers posted at strategically selected areas in the Eastside community to ensure student safety as they walk to and from school in the mornings and afternoons.
Other RCHF Funds/ March 2015
11. **City of Riverside** **\$3,000**
 To support the second annual Grow Riverside Conference: The Future of Local Food, a program with the goal of fostering the growth of a sustainable local food and agriculture system that benefits the community, environment and economy of Riverside.
Other RCHF Funds/ April 2015
12. **Inland Empire Health Plan** **\$200,000**
 To provide insurance for Riverside children through the Healthy Kids Program, a comprehensive health coverage to uninsured children under age 19 who live in families with income at or less than 250% of Federal Poverty Level (FPL); do not qualify for no-cost Medi-Cal or for Covered California or employer-based independent coverage; and live in Riverside County for at least 90 consecutive days.
Inpatient Distribution/ June 2015
13. **Path of Life Ministries** **\$100,000**
 To support the provision of mobile behavioral health care to individuals, families and children throughout Path of Life Ministries' homeless shelters and housing programs, assisting families/individuals to identify and address the underlying issues that may keep them homeless or threaten their long-term stability.
Outpatient Distribution/ June 2015
14. **Riverside County Regional Medical Center** **\$500,000***
 To support the purchase of Riverside County Regional Medical Center's 36 new cardio-respiratory monitors for its Intensive Care Unit, and fourteen new cardio-respiratory monitors and anesthesia machines for its operating rooms.
