## RIVERSIDE COMMUNITY HEALTH FOUNDATION WILL HOST AN OPEN HOUSE TO SHOWCASE THEIR RECENT MOVE TO THE HEART OF DOWNTOWN RIVERSIDE!

**(Riverside, CA) April 25, 2017-** Riverside Community Health Foundation (RCHF) invites the public to an open house, which will take place Wednesday, May 3 from 12:00pm to 4:30pm at 4275 Lemon Street, Riverside, CA 92501.

RCHF, a leading local non-profit organization that promotes the health and well-being of Riverside and its surrounding communities, relocated to its new foundation home after 20 years of significant growth and expansion.

“The move has allowed for better communication and efficiency as all staff are now joined together at one location,” says the President/CEO of Riverside Community Health Foundation, Dan Anderson, D. Min. “I believe the move underscores our commitment to providing trust, credibility, integrity and excellence in all that we do for our community and employees.” The move occurs after 20 plus years of residency at Riverside Community Health Foundation’s Health Education Center located inside of Riverside Community Hospital.

Originally built as a law firm in 1962, the 18,000-square foot building includes several architectural characteristics that were common aesthetic ideas in the 50’s and 60’s.

“Abstractly, I see this building as the physical embodiment of RCHF’s goal,” explains Eric Sautter, Principal Architect at Sautter Architecture and RCHF’s renovated building. “To intelligently intervene in the life of an existing physical body, to enhance its existing qualities, promote a ‘new’ open and healthy outlook and allow for a greater, richer and longer life.”

RCHF invites the community to learn more about the history and evolution of their mid-century “gem” at their open house, Wednesday, May, 3 from 12pm – 4:30pm. Join Riverside Community Health Foundation as they celebrate their move toward better serving the community!
