

Together We Can!

Diabetes Wellness Program 2017

DIABETES MINI-SERIES

10 Things You Need To Know About Diabetes & Foot Care

Have you ever experienced or worry you will develop pain, tingling or numbness in your feet? People with diabetes are at risk for many different foot problems. Join us at our Mini-Series to learn about proper foot care to avoid complications from a podiatrist and participate in interactive activities regarding your foot care!

FREE health screenings and dinner are provided at each Mini-Series.
Registration and screenings begin at 5:15p.m.
