## RIVERSIDE COMMUNITY HEALTH FOUNDATION 2018 GRANTS PROGRAM TIMELINE

**(Riverside, CA) – July 20, 2018-** Riverside Community Health Foundation (RCHF) will release a Request for Proposals (RFP) on August 20, 2018. This will end RCHF's funding pause, which has been in effect for its regular grants program since January 2017. During this pause, the Foundation identified priorities and strategies to align with the greatest health needs of the community.

RCHF's Request for Proposals will focus on the following three priority funding areas: Heart Disease and Stroke; Diabetes; and Behavioral Health (including mental health and substance use). To be eligible to apply, the applicant organization must: (1) be a 501 (c)(3) non-profit organization, school, or government agency; and (2) serve residents of the cities of Riverside and Jurupa Valley, from the following zip codes: 92501, 92502, 92503, 92504, 92505, 92506, 92507, 92508, 92509, 92518, 92521, 92522 and 91752.

There will also be an additional RFP (released August 20) that focuses on services provided to children ages 0 to 18 in Riverside County. The three priority funding areas will still apply. Following the release of the RFP on August 20, 2018, applicants will have several days to review the RFP. An RFP informational webinar will be held by the end of August. The deadline to submit applications will be October 1, 2018.

To be notified when the RFP is posted, prospective applicants are encouraged to visit [www.rchf.org/grants/](http://www.rchf.org/grants/) and scroll to the bottom of the page to sign up for alerts on RCHF's grants program.
