

Riverside Community Health Foundation Integrated Health Initiative to Reduce Disparities in Physical and Behavioral Health (IHI) Addendum – September 26, 2018

Project Budget Template Revised

The 2018 RCHF - IHI Project Budget Template rev 9-26-18 is the most updated version of the Project Budget Template.

The Personnel category of the revised Project Budget Template now allows for a value greater than 1.00 to be entered in the FTE column. This modification will make it possible to list in one line item multiple staff who will have the same job classification.

If you have already completed your Project Budget using the original 2018 RCHF – IHI Project Budget Template, it is not mandatory for you to use the 2018 RCHF - IHI Project Budget Template rev 9-26-18.

Questions Modified

The following question was modified in the Project Implementation section:

- **Project Sustainability** question's word maximum increased to 500 words (formerly 200 words).

It is not required to meet the new word maximum. The increase will allow space for additional sustainability detail if needed.
