COMING SOON

The 2024 Inland Empire Perinatal Equity Summit is a two-day event that advances health equity and quality of life for Black and African American pregnant women and their families.

The Perinatal Equity Initiative (PEI) focuses on reducing Black and African American maternal and infant mortality disparity within San Bernardino and Riverside Counties.

WHO SHOULD ATTEND?

- > Perinatal Providers
- > Behavioral Healthcare Providers
- > Doulas and Other Birthworkers
- > Funders
- > Policy Makers and Advocates
- > Black and African American Community Members

APRIL 12

PROVIDER DAY

Discussion focused on improving Black and African American birth outcomes and reducing infant mortality in the Inland Empire.

APRIL 13

COMMUNITY DAY

Celebrate families and community with free food, music, kids-zone, self-care, games and more! Join the conversation on how to help Black and African American families have healthy pregnancies and babies.
